

SAFE PROFILE

**"Online Privacy
Shield is Power"**

The Problem

“1 in 3 women face online harassment “

“Fake profiles , stalking, and identity misuse are rising threats”

Our Solution: **SAFE PROFILE**

“An online tool to scan , detect and protect women profiles”

core feature : scan Detect

Scan Detect

“Quickly identifies duplicate or fake account “

visual : Shield icon + sample detection flow

Impact

“protecting women digital identity - Safer internet “

stats/target users:
”500M+social media women user

Future Scope

“Next steps: Mobile app , Ai Threads Detection .”

Thank You
